

# EDUCATION MATTERS, NO MATTER THE CIRCUMSTANCE

## What Education Matters is all about:

As Miss Thurston County 2018, Ashley Engstrom, I am passionate about helping the students in our community. **Education Matters** is a new and gently used school supply drive that will donate the school supplies collected by the help of local businesses and our community to the local elementary schools in the Olympia School District. At the beginning of the 2018-2019 school year in the fall, students in need will receive these supplies to help with their education and continue their paths in school. My goal would be that this drive would become a trend in all of the Thurston County Schools in the future.
