Attend **Seattle Mariners Grand Slam Camps** and learn the **MARINER WAY!** – game fundamentals, the latest techniques, hustle, and class. Reach your potential and have a blast! Experience the game like never before. Encounter a real Major League Game Day with our **Safeco Field Experience**. Make this summer your best ever!

- ✦ **Professional Instruction:** Personalized and group coaching from professional educators and instructors, who are certified members of the *Positive Coaching Alliance*, MLB’s certification partner. Position-specific training in all facets of the game. Instruction, drills and games to take camper’s game to the next level.
- ✦ **Total Player Development:** We focus on developing the whole player, with character development – called *double goal coaching*. Players who develop strong personal character *perform better* at the game and in life.
- ✦ **Game Culture:** Our camp is immersed in the culture of the game. The game is so much more in addition to what’s on the field. This culture is deeply imbedded daily.
- ✦ **Camp Options** We offer two camps at each location. Our **Complete Camp** is our most popular, closely engaging the kids with our staff. Lots of ball is played with integrated instruction. Hourly instructional sessions, trivia, and many surprises await as the week unfolds. So much fun! ... Our **Skills Camp** provides hitting instruction for all + focus on one core defensive position. Here campers get to experience *advanced instruction*. ... Many parents choose to send their players to both camps. In each, experience the game the *Mariner Way!* Our website has a Question and Answers section that will be very helpful.

✦ **Safeco Field Experience.** Each camper receives *exclusive early entrance camp session* at Safeco Field! Major League Game Day insight and instruction. Fun, learning, surprises and goodies. This is a one-of-a-kind experience – *Awesome!*

- ✦ **The Campers** Our campers range from beginners to “All-Stars.” We group players based on age, ability/safety and social factors. Our primary goal is to ensure each camper has a positive experience and learns the game. We have expertise in coaching the game and in working with kids. Each camp has a dedicated coordinator on site to ensure all details are taken care of and a fantastic experience.
