## UNDER SECTION 504 YOU HAVE THE RIGHT TO...

1. Have your child take part in and receive benefits from public education programs without discrimination because of their disabling conditions.
2. Have the school district advise you of your rights under federal law.
3. Examine all relevant records relating to decisions regarding your child's identification, evaluation, and educational program placement.
4. Have an evaluation that draws on information from a variety of sources.
5. Have your child receive special education and related services if they are found to be eligible under the Individuals with Disabilities Education Act or accommodations under Section 504 of the Rehabilitation Act.
6. Have your child receive an appropriate public education. This includes the right to be educated with non-disabled students to the maximum extent appropriate.
7. Have your child be educated in facilities which are comparable to those provided non-disabled students.
8. Have transportation provided to and from an alternative setting at an appropriate accessible site closest to the student's home school if the home school is determined inaccessible or is not the student's least restrictive environment.
9. Have your child be given an equal opportunity to participate in nonacademic and extracurricular activities offered by the district.
10. Obtain copies of educational records at a reasonable cost unless the fee would effectively deny you access to the records.
11. A response from the school district to reasonable requests for explanations and interpretations of your child's records.
12. Request amendment of your child's educational records if there is reasonable cause to believe that they are inaccurate, misleading, or otherwise in violation of the privacy rights of your child.
13. File a grievance with the school district over an alleged violation of Section 504 regulations.
14. Request an impartial hearing with the opportunity for participation by the student's parents or guardian and be represented by counsel.
