
SELF-ADMINISTRATION OF ASTHMA AND ANAPHYLAXIS MEDICATIONS

It is the policy of the Board that students with asthma or anaphylaxis are afforded the opportunity to self-administer prescribed medications. The students' parent or guardian shall submit a written request and other documentation required by the school. The student's prescribing health care provider must provide a written treatment plan.

The student shall demonstrate competence, to possess and self-administer prescribed medications during school and at school-sponsored events, to the school's professional registered nurse.

The Superintendent is directed to establish procedures that implement this policy and to develop emergency rescue procedures.
