
ENVIRONMENTAL POLICY – SEPA GUIDELINES

The District recognizes its obligation to give appropriate consideration to environmental values in any decision-making or action it proposes to take, and whereas, the State Environmental Protection Act of 1971 (SEPA) and the guidelines adopted by the Department of Ecology, effective April 4, 1984, requiring all local agencies of government including school districts to adopt their own set of policies and rules governing the implementation of said Act consistent with the guidelines, the Board adopts the attached procedures to govern the implementation of SEPA and SEPA guidelines.
