Snow Routes

The following route changes will be in effect when it is announced that buses are running on “emergency bus routes.” We may be running a few minutes late due to road conditions, but pick-ups will be made unless radio announcements are to the contrary. If it is announced that schools are starting one or two hours late, please remember that bus pick-ups will also be one or two hours later than normal. KGY (1240), KQ92 (920) and KXXO (96.1 FM) will be broadcasting school information beginning at 6:00 A.M. and continuing throughout the day. Should it be necessary please listen to the radio for school announcements.

Sometimes weather conditions will require that our schools close early. In the event that this should happen normal bussing sequence will be adhered to; i.e. high school and middle school students home first, followed by the elementary students. Please instruct your student what to do should there be an early school closure when you are not home during the regular school day.

We ask that you remind students in your family to be especially careful when walking or waiting for a bus during bad weather.
