

Vicki Horton is OSD's Science Instructional Coach. Vicki has taught science in the Olympia School District for over 16 years and now teams with science teachers at Marshall and Reeves Middle Schools in a collaborative effort to enhance science learning for students. Contact Vicki at vhorton@osd.wednet.edu for more information.

Jen Brotherton is OSD's Literacy Instructional Coach at the secondary level (middle and high school). Jen has taught English at high school and college levels for the past 12 years and was part of a cadre of teachers who designed a reading program for struggling high school readers in the North Thurston School District. She currently works with our OSD middle schools to provide literacy support for both teachers and students. Contact Jen at jbrotherton@osd.wednet.edu for more information.

Kelli Ehresmann is OSD's Teacher on Special Assignment (TOSA) for students with Autism Spectrum Disorders (ASD). Her office is located within the Student Support Department at the Knox Administrative Center. She has taught students with autism for 10 years. Contact Kelli at kehresmann@osd.wednet.edu for more information.

Ruth Chamberlin is OSD's Math Instructional Coach at the secondary level--working with the middle and high school levels. Ruth taught math at the middle and high school levels for 25 years. She also worked as an Instructional Coach with elementary, middle and high school teachers through the NO LIMIT Grant and Math Helping Corps. Her office is located at Capital High School. Contact Ruth at rchamberlin@osd.wednet.edu for more information.
