

Olympia School District

Cabinet Notes

February 7, 2013

February 11 Board Agenda at Knox: Blue Schools recognition and celebration, TPEP update from Michael Havens, GRUB costs from Blue Peetz, Brad Hooper and Tim Byrne, Emergency Response Update from Nancy F., Full Day Kindergarten planning from Jennifer P.

February 25 Board Agenda at Washington MS: Focus on Washington MS by Paul Anders, ASAP Afterschool Program at CHS from Jeff Broome, Budget update from Jennifer P.

Calendar: Nancy reviewed the major vacation section of the calendar. It is close to being completed. Bills in the legislature could have a direct effect on professional development days for districts statewide.

AED: Joni asked that the AED be placed in a central location in Knox. All agreed.

Monthly Knox Staff Mtg. Agenda: The meeting will be shifted to February 14 because of the Comprehensive Program Review. Topics include the February Safety Message, AED Device, Recycling Update, Bulletin Board Challenge, "Things You Should Know". The meeting begins at 8:15am.

Nurses, Counselors, Teachers, and Collaboration: A discussion of the role, function, and capacity of our school teams to serve the mental health needs of our students. This segment of our student population is growing, reflecting a similar trend in the public sector. There are fewer services available for those with mental health issues.

Budget Survey: Jennifer P. shared the budget survey developed to seek staff input into the district's planning process.

Board Study Session: February 19th; Budget for Athletics, Activities, and Special Education
