**May 28, 2013 Board Agenda at Roosevelt Elementary:** Focus on Roosevelt by Domenico; Strategic Plan Update by Dick C. and Rebecca J.; Technology Update by Ron M. and Terri K.; Budget Update by Jennifer P.; Athletic Policy review by Jeff C.

**June 10, 2013 Board Agenda at Knox:** RTI Update by Dick C. and Team; Budget Update by Jennifer P.; Staff Development Update by Debbi H. and Michael H.

**Emergency Management:** Nancy F. reviewed the recommendations from the committee. These recommendations will be reviewed by Nancy/committee with the Board at an upcoming meeting. Dick will share with David J. at an upcoming mtg.

**Budget:** Jennifer, Rebecca, and Dick shared feedback from the Community Budget mtgs. Despite all of the advertisement, turnout has been small....four to five citizens at each mtg. Board members have attended both mtgs.

**Cabinet Schedule:** Given the busy schedule over the next few weeks before school dismisses, we will work hard to shorten the time commitment to the Cabinet mtg. Next mtg. will be 9:15am-10:15am
