**Retreat-**Cabinet reviewed expectations and plans for the Administrative Retreat in the second week in August.

**Implementation of 2013-2014 Budget Enhancements-**With the anticipation of more budget capacity, a list of enhancements and leaders of implementation for each enhancement was identified. These individuals will be responsible for ensuring the timely completion of hiring timelines and follow through.

**TPEP-**Nancy F. reviewed Mike McDonald's role in leading the district's TPEP work with principals this coming year. We are excited to have Mike leading our efforts.

**Ingersoll Security Meeting-**Dick C. reported on the meeting, which was held Tuesday evening. A good crowd attended with a focus on problem solving. Four Board members attended the meeting so they have developed a good understanding of the concerns. One more public meeting will be held. Thanks to Rebecca J., Jennifer P., and Jeff C. for designing a process that worked well for the meeting.
