Adequate Yearly Progress

- All of our teachers are highly qualified. McKenny met Adequate Yearly Progress (AYP) for the federal No Child Left Behind Act.

Under the direction of the No Child Left Behind (NCLB) Act, the Olympia School District is now in District Improvement Step One for not meeting Adequate Yearly Progress (AYP) for two consecutive years in Reading at the elementary school level, Reading for Low-Income students and Math for Special Education students at the middle school level, and Math for Low-Income students at the high school level. The OSD has created an Improvement Team to address these areas of concern. Parents and community members are encouraged to assist the District with its endeavors to improve student achievement by getting involved with their local school. For more information, contact the Communications & Community Relations Department at (360) 596-6103.

About Our School

Margaret McKenny Elementary was built in southeast Olympia, in the middle of a field filled with yellow scotch broom and hawks nesting in trees. Thus, the hawks became the perfect McKenny mascot.

Architecturally, the building is designed into three pods of 19 classrooms. Grade level teachers and support staff work together to provide the best possible learning environment for all of our children, preschool through grade 5. McKenny Elementary welcomes parent and community volunteers to assist in all aspects of our educational and co-curricular day. The facility is used daily by community groups such as YMCA, Olympia Parks and Recreation, Boy Scouts, Girl Scouts, PTO and neighborhood associations.

MEASUREMENTS OF STUDENT PROGRESS

Students in grades 3-5 are required to take an annual state assessment. The scores represent the percent of students meeting the Measurements of Student Progress (MSP) standards.
