Mission Statement:

McLane Elementary School strives to provide an outstanding learning environment including the quality of its staff, a sense of family, an excellent physical facility and a safe environment which will enable all students to reach their maximum learning potential.

ABOUT OUR SCHOOL:

McLane School was established in 1883 by pioneer families in the Delphi Valley. Our present school was built in 1987 and is the fourth McLane School building. Our school is comprised of classrooms, plus special use areas: music, resource, gymnasium, multipurpose/cafeteria, playshed and three pod areas on the 11.5-acre campus. Adjacent to our campus is a 20-acre wetlands/forest that has become a science, math, writing and art laboratory, as well as the site of our school community service projects.

In addition, there are two preschool classrooms. One group includes children with developmental delays and children eligible through Title One resources. The other is the TEACCH program which serves students identified with autism spectrum disorders and children participating through Title One. These classes provide our youngest students with opportunities to interact in large and small group instruction, develop increased language skills, learn important skills in decision making, and develop a love for learning.

McLane also houses the Program for Academically Talented Students (PATs) on the west side of Olympia. Students are bused from their home schools to McLane one day each week.

McLane students may participate in several special programs:

- GRIN (Global Responsible Individuals Nurturing one another): the GRIN program is a school-wide self-esteem enhancement effort that recognizes the personal uniqueness of our students and reinforces positive social skills.
- Peer Mediation: Fourth and fifth grade student mediators who have been trained in conflict resolution skills are on duty at each recess to assist their peers in resolving conflicts peacefully and in developing positive problem-solving skills.
- McLane Forest/Wetlands: McLane students, along with neighbors, community businesses and the Department of Transportation, have reforested over 40 acres of former farmland adjacent to McLane School. In addition, our students, parents, and scouts planted thousands of native shrubs and trees on the Evergreen Parkway overpass near our school. The forest is now used as a living learning laboratory. The trail has been paved and our students have planted bulbs to enhance the path in the spring.
- Passport Program: Run completely by our parent volunteers and supported by our PTSO, the Passport Program has helped the entire school learn locations of countries and cities around the world.
- We have initiated an additional learning opportunity after school for some of our students. With TOGETHER, we are giving students the opportunity to do their homework and participate in a variety of exciting activities.

You Are Invited...

The Olympia School District welcomes and encourages volunteer involvement from parents and other members of the community. Every year, more than 3,600 citizens donate their time to Olympia schools, giving nearly 150,000 hours. Examples of volunteer work include tutoring students, helping out in school libraries or offices, assisting teachers with daily assignments or special projects, being a guest speaker, serving as an Art Partner or Lunch Buddy, and serving on School-Based Management Councils, planning, or advisory committees. To volunteer, drop by or call **McLane Elementary School** at 596-6600.

Our School Improvement Plan:

GOAL 1: READING

By 2007, 88% of McLane's 4th graders and 5th graders will meet the Washington State Reading Standard on the WASL.

GOAL 2: WRITING

By 2007, 67% of our 4th graders will meet the Washington State Writing Standard on the WASL.

GOAL 3: MATH

By 2007, 68% of our 4th graders will meet the Washington State Standard on the WASL.

GOAL 4: SCIENCE

By 2007, 60% of the 5th graders will meet the Washington State standard on the WASL.
