

# OSD Meal Distribution during school closures

*Meal distribution services will continue during the state's Stay Home, Stay Healthy order as both are considered essential services.*

All Olympia School District elementary schools, Jefferson Middle School and several designated community sites will distribute meals to students and youth during the time OSD schools are closed due to the COVID-19 pandemic.

Free meals include lunch, and a breakfast for the next day, packed in a paper bag. They will be handed out between 11 a.m. and 1 p.m. weekdays. Federal guidelines establish that any student, regardless of age, is eligible to pick up a meal. Any youth not enrolled in school, but under 18, is also eligible to receive a meal. Students and youth will not be asked for their name, identification, enrollment status, Free and Reduced-Price meal designation or school of attendance.

For a complete listing of sites, including an interactive map showing address and directions, visit the **district website**.
