

## **Citizen Advisory Committees and Task Forces**

The Olympia School District values the diversity of opinions and experiences in our community and believes community input is vital for effective organizational decision-making. The superintendent and/or board may appoint a citizen advisory committee or task force as necessary to gather public input and/or establish interaction with the community about selected issues. The committee will study district/school topics and submit its findings and recommendations to the superintendent and/or board. This committee will be formed by authorization of the board. Such authorization will include a description of the responsibilities and reporting relationships and will specify the duration of the committee's existence.
