
**EMPLOYMENT: DISCLOSURES, CERTIFICATION REQUIREMENTS,
ASSURANCES AND APPROVAL**

The Board has the legal responsibility of employing all staff. The responsibility of administering the recruitment process is assigned to the Superintendent or designee. A prospective staff member will present necessary documents that establish eligibility to work and attest to his/her eligibility as required by P.L. 99-603, Immigration Reform and Control Act of 1986. As required by federal immigration law, the Superintendent will certify that he/she has: "examined the documents which were presented to me by the new hire, that the documents appear to be genuine, that they appear to relate to the individual named, and that the individual is a U.S. citizen, a legal permanent resident, or a non-immigrant alien with authorization to work." This certification will be made on the I-9 form issued by the federal Immigration and Naturalization Service.

The District will require that every prospective staff member sign a release form allowing the District to contact school employers regarding prior acts of sexual misconduct. The applicant will authorize current and past school District employers including employers outside of Washington to disclose to the District sexual misconduct, if any, and make available to the District all documents in the employer's personnel, investigative or other files related to the sexual misconduct. The applicant is not prohibited from employment in Washington state if the laws or policies of another state prohibit disclosure or if the out-of-state District denies the request.

DISCLOSURE OF CRIME

Prior to employment of any unsupervised staff member or volunteer, the District will require the applicant to disclose whether he/she has been:

- A. Convicted of any crime against persons;
- B. Found in any dependency action under RCW 13.34 to have sexually assaulted or exploited any minor or to have physically abused any minor;
- C. Found by a court in a domestic relations proceeding under Title 26 RCW to have sexually abused or exploited any minor or to have physically abused any minor;
- D. Found in any disciplinary Board final decision to have sexually abused or exploited any minor or to have physically abused any minor: or
- E. Convicted of a crime related to drugs: manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance.

For purposes of this policy, unsupervised means not in the presence of another employee or volunteer and working with children under sixteen years of age or developmentally disabled persons. The disclosure will be made in writing and signed by the applicant and sworn to under penalty of perjury. The disclosure sheet will specify all crimes committed against persons.

BACKGROUND CHECK

Prospective unsupervised staff members will have their records checked through the Washington State Patrol criminal identification system and through the Federal Bureau of Investigation. The record check will include a fingerprint check.

Unsupervised volunteers and employees without unsupervised access to children will also be advised that they will be subjected to a name and birth date background check with the Washington State Patrol.

Applicants may be employed on a conditional basis pending the outcome of the background check and may begin conditional employment once completed fingerprint cards have been sent to the Washington State Patrol. If the background check reveals evidence of convictions, the candidate may not be recommended for employment, or if temporarily employed, may be terminated. When such a background check is received, the Superintendent is directed to consult with legal counsel.

CERTIFICATION REQUIREMENTS

The District will require that certificated staff hold a Washington state certificate, with proper endorsement (if required for that certificate and unless eligible for out-of-endorsement assignment), for the role and responsibilities for which they are employed. Failure to meet this requirement will be just cause for termination of employment. State law requires that the initial application for certification will require a background check of the applicant through the Washington State Patrol criminal identification system and Federal Bureau of Investigation. No salary warrants may be issued to the staff member until the District has registered a valid certificate for the role to which he/she has been assigned.

In addition, any teacher who meets standard or continuing certification after August 30, 1987, must complete 150 hours of continuing education study every five years. Failure to satisfy this requirement will cause the certificate to lapse. If a certificated staff member with a lapsed certificate is issued a transitional certificate pursuant to WAC 181-79A-231 (7), he or she may be conditionally employed for up to two years while he or she meets the certificate reinstatement requirements.

CLASSIFIED STAFF

Classified staff who are engaged to serve less than twelve (12) months, will be advised of their employment status for the ensuing school year prior to the close of the school year. The Superintendent or designee may give “reasonable assurance” by written notice that the staff member will be employed during the next school year.

BOARD APPROVAL

All staff members selected for employment will be recommended by the Superintendent. Staff members must receive an affirmative vote from a majority of all members of the Board. In the event an authorized position must be filled before the Board can take action, the Superintendent has the authority to fill the position with a temporary employee. The Board will act on the Superintendent's recommendation to fill the vacancy at its next regular meeting.
